

Membership Matters...

AAUW believes that together we can transform society for the better. Our vision is simple — we bring people together united behind the common goal of breaking through educational and economic barriers for women and girls. By joining our nearly 100,000 members, 1,000 branches, and more than 500 college and university partner members, you become part of AAUW's powerful voice.

Since its first meeting in 1881, AAUW has been a catalyst for change. When more than a century ago a Harvard physician claimed that higher education jeopardized women's health, AAUW conducted research that proved he was wrong. When the number of female college students grew, AAUW funded fellowships to support them. When girls and boys were treated differently in school, AAUW research put gender bias on the national agenda. When women receive less pay than their male colleagues for the same job, AAUW continues researching, educating, and advocating for equity.

We invite you to learn more about the [value of belonging](#) and to [become a part](#) of this smart, passionate, and creative community.

If you hold an associate's or equivalent, bachelor's, or higher degree from a regionally accredited college or university, you can join AAUW as an individual (member-at-large) or as a member of one of AAUW's 1,000 branches. Branch members also belong to the national organization.

For more information on joining the Virginia Beach Branch, please contact the Vice President for Membership: aauwofvb@cox.net.

2016 Scholarship Recipients (l-r) Eveline Bruce, Joy Morrow, and Kossiwa Amevor

Our Scholarship History...

This Scholarship is named for Branch member, Linda Todd, who provided 18 years of inspirational outstanding service and dedication to the AAUW Virginia Beach Branch local scholarship program. She is a graduate of East Carolina University; a retired middle school Language Arts and Social Studies teacher; an avid reader, as well as an accomplished hiker. Above all, she is an active advocate for women and girls achieving their educational and career goals. She was a Virginia Beach Branch co-president for two years and the local scholarship chair for 18 years. The Linda Todd Scholarship is awarded each year to an outstanding re-entry Virginia Beach female resident, enrolled in an accredited two or four year institution. The program is supported by Branch member donations and occasional fundraising events.

More about our story...

One of the main goals of the Virginia Beach Branch is to help advance the education of women. The local scholarship was established in 1994 to provide funds for a student currently enrolled in an undergraduate program. At least one \$500.00 scholarship is offered each spring to a Virginia Beach female resident who has returned to school after a lapse of time. On May 15, 2013, it was renamed "The Linda Todd Scholarship" in honor of her dedication to the branch local scholarship program. The Virginia Beach Branch has presented 57 scholarships as of 2020, representing almost \$31,600.

Who We Are...

The Virginia Beach Branch was founded in 1958. Throughout the years, we have become known for contributing to the community as well as for advocating education and equity for women and girls. The leadership skills, learned through AAUW participation, have enabled many of our branch members to move to influential policy-making positions in local government, education, and business as well as to elected and appointed offices in Virginia AAUW.

Today we have over 55 members from a variety of backgrounds, colleges, professions, and interests. We continue to focus on accomplishing our written goals. They include increasing the number and participation of members, raising sufficient monies for AAUW Funds, continuing and expanding community action projects, increasing involvement with public policy, and strengthening our leadership development program and increasing our local visibility.
